Seeland Avail Camo Jacket InVis Green

The Avail jacket is made from a low-noise, brushed tricot fabric in discreet InVis Green allowing it to blend into most of the surroundings where people go hunting.

Designed to work across the seasons, the jacket features a two way main zipper plus waterproof & windproof SEETEX® membrane to keep you dry; even when caught out in a passing squall or two.

The jacket has two large, front pockets and a radio pocket on the left chest, all with water-repellent zips. Inside the jacket is a pocket with a press stud closure for your mobile phone or other equipment that needs protection.

Finished with adjustable velcro cuffs and elasticated drawstrings at the lower hem and on the hood which also boasts a neck closure and shaped brim for water runoff.

Team together with the **Seeland Avail Camo Trousers** for assured full freedom of movement and ultimate disguise.

UK Sizes 38" - 46". Please refer to Seeland Size chart when ordering.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
