Description

Faithfull Tradesman 4" Synthetic Paintbrush

Manufactured using a 100% blend of solid round tapered filaments with a chiselled top for better performance and ease when cutting in.

A natural wood beavertail handle provides a perfect grip and balance for comfortable use.

Fitted with a squared stainless steel ferrule that helps retain an accurate head shape.

Ideal for use with all paint types, providing good all round performance.

Contact us

Ernest Doe is a long established family firm with a network of branches in the South and East of England. Managing Director Colin Doe is the fourth generation of the family to have run the business in its 100+ years of trading.

The firm supplies an incredible amount of machinery; from garden mowers and chain saws to combine harvesters and construction excavators. Our philosophy is simple to supply the best products and then to support them with the service facilities and expertise to keep them running perfectly.
