

Atco Classic 20S Self Propelled Petrol Lawnmower

MT-AOMWCLASSIC20S

 **ernestDOE**
Where you can buy with confidence

Our Price: £349

Description

Powered by a Stiga ST170 – 166cc Auto-choke engine, this ensures quick and easy starting, low fuel costs and reduces emissions. The ergonomic handlebars adjust into one of two settings to suit your ideal mowing position and can also be folded forward for easier storage. The centralised cutting height adjustment means you can easily adjust the height of cut to 6 positions ranging from 22-80mm for the perfect cut every time.

The robust 51cm cutting deck with anti-scalp plate is designed to minimise scalping and improve the cut. Included as standard, the mulch plug can be fitted to return the extra fine clippings back into the lawn to fertilise and add valuable nutrients.

The 60 litre grass collector also features an indicator to show when the bag is full. Easy to remove for emptying and collapsible for storage.

We are an authorised **Atco** dealer and can provide full service back up and maintenance for your Atco equipment.
